@KatrinaBannigan @LynneGoodacre @ROTTERSplym @ROTTERSExeter @rotterstruro @OTPlymouthUni @PIELRes Very much so i the same way that a learner driver is still a driver

**Katrina Bannigan** @KatrinaBanniganSo do you think having a research career is a viable option for you as an occupational therapist? or an adjunct skill for being a clinician? @LynneGoodacre @ROTTERSplym @ROTTERSExeter @ROTTERSTRuro @OTPlymouthUni @PIELRes <https://t.co/KsW6n97x71>**Leonie Boland** @lee\_o\_neeDefinitely.. a great grounding in research #OTalk <https://t.co/jxWxHd84bV>**Solei OT** 🌻 @soleinj\_RT @LynneGoodacre: OK everyone so here is Q 1. #OTalk <https://t.co/X2jXTVBH0H>**Bill Wong, OTD, OTR/L** @BillWongOT

@AelfridaP Very few exceptions... but there are some who are non-PhD who come to mind. In US, Tim Wolf is a leader in research who

(clinical doctorate). #otalk

**Solei OT** 🌻 @soleinj\_

RT @alisonwarren: @LynneGoodacre I took on role as an independent rater in dementia reseach..great role and interestibg insider info

**Suzanne Simpson** @SimpsonResearch

@KatrinaBannigan @LynneGoodacre @ROTTERSplym @ROTTERSExeter @rotterstruro @OTplymouthUni @PIELRes My MRes was with teaching at the weekends for one year, the research project was carried out in clinical hours #OTalk

**Sarah Mercer** @pd2ot

@KatrinaBannigan @LynneGoodacre @ROTTERSplym @ROTTERSExeter @rotterstruro @OTplymouthUni @PIELRes #OTalk it seem roles are a bit more 'right place, right time'/for other people. But then I felt the same about getting a PhD studentship... The dream would where I could develop my research into frailty and occupation.

**Mark Whiteman** @markstudentOT

#OTalk late to the party and lurking...

**Katrina Bannigan** @KatrinaBannigan

So do you have a job description that you are able to share with other who are trying to do the same thing? #OTalk @LynneGoodacre @ROTTERSplym @ROTTERSExeter @ROTTERStruro @OTplymouthUni @PIELRes <https://t.co/BRckmYnVI>

**ROTTERS Plymouth** @ROTTERSplym

@alisonwarren @LynneGoodacre @KatrinaBannigan @PIELRes What did that job involve doing out of interest Alison? #OTalk

**Prof Marion Walker** @marionfwalker

@KatrinaBannigan @LynneGoodacre @ROTTERSplym @ROTTERSExeter @rotterstruro @OTplymouthUni @PIELRes #OTalk there a opportunities now to become a research OT but it does take a strong desire and knowledge of the system to make a successful career

**Miriam Noonan** @mirnoonanOT

@KatrinaBannigan @LynneGoodacre @ROTTERSplym @ROTTERSExeter @rotterstruro @OTplymouthUni @PIELRes Perhaps becau unsure why lies ahead and what is out there! I think perhaps there is more likelihood of obaining this kind of role in the UK as opposed to #OTalk

**Bill Wong, OTD, OTR/L** @BillWongOT

@pd2ot @mirnoonanOT And I think clinical aspect helps you keep in touch with what needs to be researched. #otalk

**Heather Davidson** @HD55

@KatrinaBannigan @LynneGoodacre @ROTTERSplym @ROTTERSExeter @rotterstruro @OTplymouthUni @PIELRes #OTalk I think i being engaged in research but the motivations and the starting point may not be a research role.
