**Dr Jenny Preston MBE** @preston\_jenny

20 days ago

I'm always interested in knowing about the test, how it has been validated and with which client groups. Then for me it is about properly knowing how to administer, score and interpret results #OTalk @alisonlaverfaw

**Vikki Barry** @VikkiBarryOT

20 days ago

That is just what my comments were below. We of course need to ensure this and therapeutic self is fundamental but the reality is measurable outcomes are what is needed in the workplace of occupational therapy today #OTalk

**Nicola Oddy** @alllou250969

20 days ago

@VikkiBarryOT @OTalk\_ #otalk good use of supervision and peer support but also be aware what your setting supports

**Alicia Ridout** @AliciaRidout

20 days ago

@alisonlaverfaw No its not enough! And we need to demo how valuable our work is so measuring is part of this....#OTalk
