Hi @OTalk_ looking forward to tonight's chat #OTalk

CAOT2019 @caot2019

4 days ago

@OTalk_ @hooper_ek @otalk Thanks @hooper_ek @OTalk_ for having us host tonight's chat - looking forward to it! #OTalk

Samantha Pywell @smileyfacehalo

4 days ago

@OTalk_ Hi everyone !! #OTalk

#OTalk @OTalk_

4 days ago

Would you like to post your first question @caot2019 and we'll get the chat underway? #OTalk

Georgia Vine @georgiaannv

4 days ago

@OTalk_ Hi! #OTalk

CAOT2019 @caot2019

4 days ago

Okay, let's get started! Research has to start somewhere. A lot of OT knowledge is in people's heads. What kind of things are you investigating? #OTalk

Dr Lisa Dibsall @lisadibs2

4 days ago

Hi #OTalk

Sue Parkinson @MOHOspark

4 days ago

@OTalk_ @hooper_ek @otalk @caot2019 #OTalk Hi everyone. I'm a wee bit tired tonight after 2 days of workshops, but will try to keep awake

#OTalk @OTalk_

4 days ago

Here's Q1 from @caot2019 #OTalk

Sh&RLYΛ 🇬🇧🇬🇧💖 @sherlynmelody

4 days ago

I'm here, lurking #research 🤔 hi everybody 🙋 #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@caot2019 Me will always be #autism related. Mostly independent, but hopefully I can have some uni's be interested in connecting with me on such research. #otalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

Most of my research focuses on the impact of symptoms e.g. tremor, vision on function in neurological conditions #OTalk

Becky @studentmumof3

4 days ago

RT @BillWongOT: @caot2019 Me will always be #autism related. Mostly independent, but hopefully I can have some uni's be interested in conne...

#OTalk @OTalk_

4 days ago

Hi @sherlynmelody ... do feel free to contribute #OTalk

Emma Hooper @hooper_ek

4 days ago

I'm involved in dementia research & my current project is with people living with dementia and sensory loss @sense_cog #OTalk

Jamie Cardell @OTJme

4 days ago

@OTalk_ @caot2019 #otalk we are looking at investigating paediatric interventions and measuring the effectiveness of these. We are starting a Matrix and looking at the current research @LyndsayCourtOT @BeccaSheltonOT

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@studentmumof3 @caot2019 I am interested in adults more- aside from myself being in that population, but also knowing that this population is underresearched on many fronts. #otalk

#OTalk @OTalk_

4 days ago

I love hearing about the breadth of topic areas that #Occupational Therapists are involved in! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

RT @OTJme: @OTalk_ @caot2019 #otalk we are looking at investigating paediatric interventions and measuring the effectiveness of these. We a...

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

RT @hooper_ek: I'm involved in dementia research & my current project is with people living with dementia and sensory loss @sense_cog #OTalk

Georgia Vine @georgiaannv

4 days ago

@caot2019 I'm an OT student so I don't have any big plans as of yet but I want to investigate the link between occupational therapy and advocacy, particularly through blogging. #OTalk

Sh&RLYN 🇯🇲 🇬🇧 🇬🇧 @sherlynmelody

4 days ago

@OTalk_ @caot2019 I'm not into research, currently working in adult care services with older people 65yrs plus....ideally I think I'd like to look at phenomenology of older people 🧑🏻 #otalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

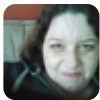

Great to have you on board @JacquiG47. Just remember to include #OTalk with your tweets so that they can be included within the transcript. We all forget sometimes.

Dr Lisa Dibsall @lisadibs2

4 days ago

My PhD research was on reablement, now back in practice full time in a Local Authority I would like to do more research #OTalk

#OTalk @OTalk_

4 days ago

It's never too early to start big plans @georgiaannv #OTalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

#OTalk

Sh&RLYN 🇯🇲 🇬🇧 🇬🇧 @sherlynmelody

4 days ago

@georgiaannv @caot2019 #otalk this sounds interesting. OT as the advocate? Is that what you are thinking? Maybe you could do this for your dissertation?

Becca Shelton @BeccaSheltonOT

4 days ago

@OTalk_ @caot2019 We are looking to complete research into the CO-OP approach and the use of NDT, lots of projects coming up! #OTalk

Jon Beard - OT @jonbeard34

4 days ago

@caot2019 I'm interested in how technology is used as therapy whilst also being aware of the risks involved of using technology #OTalk

Tori OT @Tori_Doll_

4 days ago

@OTalk_ @caot2019 Particularly interested in the effectiveness of #VdTMoCA in forensic MH, particularly with patients with a diagnosis of Personality Disorder. #OTalk

Jacqui G @JacquiG47

4 days ago

@preston_jenny #OTalk okey dokey - I'll get there, thank you

Holly Graham @HollyGtheOT

4 days ago

@caot2019 So many ideas, particularly around evidencing the effectiveness of our service provision, staff wellbeing etc but unfortunately bigger priorities within the team at the moment. I'd also love to look into children with visual impairment and support from OT. One day! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@georgiaannv @caot2019 I think this is an interesting area. There are different ways you can look at this- whether it is disability related advocacy, or political advocacy. #otalk

Susan Griffiths @SusanGriffiths5

4 days ago

@OTalk_ @caot2019 I am doing my master in sensory integration with Ulster University and just enrolled to do the research project module. Although I have lots of idea about what I would like to do, I also have to be realistic with the time And resources that I have in my workplace. #OTalk

Jamie Cardell @OTJme

4 days ago

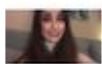

@OTalk_ @caot2019 @LyndsayCourtOT @BeccaSheltonOT Specially we are starting by looking at the papers Novak (2019) used in her SR. We are interested in the COOP, SI and NDT interventions for children and young people. #otalk @LyndsayCourtOT @BeccaSheltonOT

#OTalk @OTalk_

4 days ago

Thanks for the reminder @preston_jenny ... please do include the hashtag in your tweets @JacquiG47 so that you can participate fully in the chat #OTalk

Georgia Vine @georgiaannv

4 days ago

@OTalk_ Well, I have started doing work towards this and have some up and coming work that I can announce shortly so hopefully, that'll be a good start! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@SusanGriffiths5 @OTalk_ @caot2019 This is much needed! Have you connected with people like Sharon Cermak or Erna Blanche? #otalk

Holly Graham @HollyGtheOT

4 days ago

@jonbeard34 @caot2019 Think this would be really interesting. Yes they are risks but we should manage and embrace these (we are known, in the UK at least, to be a risk averse culture). Technology is a huge part of our personal lives, why has it not reached our clinical lives more? #OTalk

Sh&RLYN 🇯🇲 🇬🇧 🇬🇧 @sherlynmelody

4 days ago

@BeccaSheltonOT @OTalk_ @caot2019 Co-op NDT? #otalk help me I'm lost

Kathryn Jarvis @jarviskathryn1

4 days ago

@caot2019 Anything related to stroke, but particularly arm and hand recovery for occupation...but also happy to be involved in anything research :) #otalk

#OTalk @OTalk_

4 days ago

Hi @BeccaSheltonOT could you explain what the CO-OP and NDT are? Thanks! #OTalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

@AlisonH56152526 @OTalk_ Great to have you on board @AlisonH56152626 just remember to include #OTalk with your tweets so they can be included in the transcript. We all forget sometimes.

Susan Griffiths @SusanGriffiths5

4 days ago

@OTalk_ @caot2019 Currently looking at how I can do research on the effectiveness of the parent education courses (SI focused) that my OT service run #otalk

Sh&RLYN JMGB 🇯🇲 🇬🇧 @sherlynmelody

4 days ago

@georgiaannv @OTalk_ #otalk 🙏🙏

Emma Hooper @hooper_ek

4 days ago

Sounds interesting @jonbeard34 ... what kinds of technology are you investigating? #OTalk

Georgia Vine @georgiaannv

4 days ago

@sherlynmelody @caot2019 Yes that is what I'm thinking I also have Cerebral Palsy and have had OT most of my life so I want to link this in too. I would love to do this as a dissertation! #OTalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

#OTalk

Becca Shelton @BeccaSheltonOT

4 days ago

@sherlynmelody @OTalk_ @caot2019 These are two paediatric treatment approaches we use in our service. Cognitive orientation to daily occupational performance (CO-OP) and neurodevelopmental treatment #OTalk

Jacqui G @JacquiG47

4 days ago

@laur_boland24 @OTalk_ @caot2019 #otalk thanks Lauren, I think there's definitely a place for OT but there doesn't seem to be enough OTs in this area, I did a mini pole on FB and found only 2 OTs that were linked to cancer rehab in the UK. We're missing a trick and I would like to research it more.

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@SusanGriffiths5 @OTalk_ @caot2019 I think you should bounce some ideas off Stephanie Bodison. She works at Pediatric Therapy Network in USA. Pediatric Therapy Network is a notable place in OT history because it is the very place Jean Ayres did her work. Stephanie was also my former peds instructor. #otalk

Dr Kim Stuart @KimStuartOT

4 days ago

@caot2019 Sorry late to the party #postdoctoral and exploring #Frailty interested in knowing more about working with older people who feel life is complete #otalk

Sh&RLYN JMGB @sherlynmelody

4 days ago

@BeccaSheltonOT @OTalk_ @caot2019 #otalk oh I see. Thank you ☺

Jamie Cardell @OTJme

4 days ago

We are all very eager to write an article and increase the evidence base for this wonderful profession, specifically paediatrics. Any tips? #otalk @BeccaSheltonOT @LyndsayCourtOT

Dr Jenny Preston MBE @preston_jenny

4 days ago

#OTalk

Jon Beard - OT @jonbeard34

4 days ago

@caot2019 Agreed, for me it's about knowing the setting/environment and individuals within it. Then adapting technology to assist engagement in their treatment needs #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@georgiaannv @sherlynmelody @caot2019 Maybe you can go broader and cover a broad range of disabilities, too. I will help if you want to include #autism in there. #otalk

Kathryn Jarvis @jarviskathryn1

4 days ago

@HollyGtheOT @caot2019 I think this is the main challenge-how do we manage research alongside all other aspects of our jobs. It's so important, yet it consistently gets sidelined #OTalk

Georgia Vine @georgiaannv

4 days ago

@BillWongOT @caot2019 Exactly due to personal experiences, I'd love to be a disability-related advocate, but I'm up for exploring! #OTalk

#OTalk @OTalk_

4 days ago

Hi @AlisonH56152526 it's Emma here on the @OTalk account (@hooper_ek . Lovely to have another OT from @LancashireCare joining the chat tonight! Don't forget to add #OTalk to your tweets so we can all see them :-)

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@JacquiG47 @laur_boland24 @OTalk_ @caot2019 Perhaps try OT4OT. Maybe you will get a better response? #otalk

#OTalk @OTalk_

4 days ago

#OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@georgiaannv @caot2019 Sure... I think this is something we should have some chats in the future, maybe you will find some parallels with my experiences and yours. #otalk

Georgia Vine @georgiaannv

4 days ago

@sherlynmelody @caot2019 Sounds amazing! #OTalk

Kathryn Jarvis @jarviskathryn1

4 days ago

@sherlynmelody @georgiaannv @caot2019 I agree this sounds like a great idea #OTalk

Jacqui G @JacquiG47

4 days ago

@BillWongOT @laur_boland24 @OTalk_ @caot2019 #otalk I Bill I did poll OT4OT, just a general question. Maybe I need to do it again

Vicki @V_the_OT

4 days ago

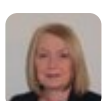

@OTalk_ @BeccaSheltonOT #OTalk I researched the CO-OP as part of my dissertation looking into interventions for children with ADHD 😊 very interesting

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@SusanGriffiths5 @OTalk_ @caot2019 Yes- @SensoryLabUSC is the one. #otalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

@JacquiG47 @laur_boland24 @OTalk_ @caot2019 Have you linked in with @macmillancancer as they fund occupational therapy specific posts #OTalk

Georgia Vine @georgiaannv

4 days ago

@BillWongOT @caot2019 We most certainly should this would be very interesting.
#OTalk

Kayleigh Gibbins @MissK_rebecca

4 days ago

@OTalk_ The role of third sector in NHS Acute MH supporting pt 'at the point of care' as part of core therapeutic programme: including access to physical health interventions for improved PH outcomes, employment support & linking in social prescribing #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@jarviskathryn1 @HollyGtheOT @caot2019 One strategy I am trying out- reaching out to uni's (can be elsewhere beyond my country) and be collaborators with researchers. What I mean is- perhaps our research match is out of the country and we should explore! #otalk

#OTalk @OTalk_

4 days ago

Hi @laur_boland24 please remember to add #OTalk to your tweets so they form part of the chat overall :-) Thank you!

Tori OT @Tori_Doll_

4 days ago

@OTalk_ @caot2019 I would like to explore around specific OT interventions and the impact this has on risk reduction or length of stay in the high secure forensic MH environment #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@OTJme @BeccaSheltonOT @LyndsayCourtOT Mine will be- be open minded about collaboration opportunities. Also, invest some money and time to attend conferences outside of our countries! You may be surprised by who you found!
#otalk

Lyndsay Court @LyndsayCourtOT

4 days ago

@V_the_OT @OTalk_ @BeccaSheltonOT Hi Vicki! Sounds great! Can we access your research? #OTalk

Jacqui G @JacquiG47

4 days ago

@preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer #OTalk I wondered if there was any mileage in research into OT rehab where people have curative treatment, not palliative care or end of life.

Holly Graham @HollyGtheOT

4 days ago

@SensationalOT @OTalk_ Do you have evidence to support that those with LD or speech/language delays cannot access top down? I've found it is actually easier to access, and I'm sure research demonstrates this too? Check out PCAS by @TizardCentre, top down and able to actively participate #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

4 days ago

@georgiaannv @caot2019 We can do whatever way you prefer when you are ready to do this. #otalk

Dr Jenny Preston MBE @preston_jenny

4 days ago

@OTJme @BeccaSheltonOT @LyndsayCourtOT Have you carried out your research and thinking about publication? <https://t.co/kSznjQvZy4> is a helpful starting place #OTalk

Dr Kim Stuart @KimStuartOT

4 days ago

@JacquiG47 @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer A colleague phd looked at OT and survivorship certainly an area to explore #otalk

Jacqui G @JacquiG47

4 days ago

@KimStuartOT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer @Jeni_woods_OT #OTalk thank you @KimStuartOT good idea. I wondered about doing a Masters first - or try and get involved in a project?

#OTalk @OTalk_

4 days ago

So many great ideas but we need to move on with the chat - do you have Q2 for us @caot2019 #OTalk

Jeni Woods @Jeni_woods_OT

4 days ago

@ZoeMerchantOT @jenny_welford are your people #OTalk for #prehab

Georgia Vine @georgiaannv

4 days ago

@BillWongOT @caot2019 Great I'll definitely be in touch Bill! #OTalk

Dr Kim Stuart @KimStuartOT

4 days ago

@JacquiG47 @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer @Jeni_woods_OT The small grants from specialist sections are a great starting point #otalk

CAOT2019 @caot2019

4 days ago

Thanks all for those responses, now on to question 2... How do you pursue this activity/knowledge and make it into research? #OTalk

Sh&RLY JMGB ❤️ @sherlynmelody

4 days ago

@OTalk_ @caot2019 #otalk halfway through 🙏

Jeni Woods @Jeni_woods_OT

3 days ago

@JacquiG47 @KimStuartOT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer I've also supported a NIHR internship which looked at implementing frailty assessments within a radiotherapy department #OTalk

#OTalk @OTalk_

3 days ago

Q2 from @caot2019 - How do you pursue your activities / knowledge and make it into research? #OTalk

Jeni Woods @Jeni_woods_OT

3 days ago

@KimStuartOT @JacquiG47 @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer NIHR internships are another great way of getting a taster of research too #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@caot2019 For me, I have been attending OT conferences across the globe in last 5 years. On one hand, I try to establish myself as a lived experience expert ini #autism. On the other hand, I am finding people I can potentially connect with for research purposes and/or literary work. #otalk

Samantha Pywell @smileyfacehalo

3 days ago

@caot2019 Q2. Grit. Determination. Solid support. Hardwork. #otalk

Jane Cronin-Davis @DavisCronin

3 days ago

RT @hooper_ek: Research has to start somewhere. What kinds of things are you investigating? Join @caot2019 for tonight's #OTalk Research to...

Helen Brown @HelenBrown09

3 days ago

@caot2019 @DerbyOT #OTalk

Dr Kim Stuart @KimStuartOT

3 days ago

@JacquiG47 @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_@caot2019 @macmillancancer Then an MSc is a great way to get research active as you would have the support of University. Our MSc students are very research focused #Otalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@preston_jenny @caot2019 or even boost your CV if you are interested in academia in the future. #otalk

Susan Griffiths @SusanGriffiths5

3 days ago

@OTalk_ @caot2019 I don't know yet! Starting off with reviewing the research literature and using platforms like this to learn from others #OTalk

#OTalk @OTalk_

3 days ago

Do you have some wisdom to share about ways to establish collaborations @preston_jenny? (although this may be an OTalk topic in its' own right!) #OTalk

Jacqui G @JacquiG47

3 days ago

@Jeni_woods_OT @KimStuartOT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer I looked at the E Casson fund, but again felt like I needed to know a lot of things before I could even apply for this, but you can't get help from anywhere to start, without knowing it, it's like a vicious circle of none starter!! lol #otalk

Georgia Vine @georgiaannv

3 days ago

@BillWongOT @OTalk_ I couldn't agree more #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@KimStuartOT @JacquiG47 @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer For us in the USA, masters is essentially getting our feet wet. A post doc will be an appropriate opportunity for those who can pursue them. #otalk

Holly Graham @HollyGtheOT

3 days ago

@caot2019 I suppose this is dependant on your employee including team management and trust priorities. I took a fixed term post previous to this, which was specifically around service improvement. I also put research elements into my appraisals using @theRCOT's #RCOTCareerFramework #OTalk

Kathryn Jarvis @jarviskathryn1

3 days ago

@OTalk_ @caot2019 I think one of the most important things I have learnt is that collaboration is key. Sharing ideas and work load is key to making progress #OTalk

Georgia Vine @georgiaannv

3 days ago

@caot2019 This is very interesting and to be fair it's a question that I'm still asking myself. But as established in question 1 I think it's good to start by asking questions to others to get a feel of how far the idea will go. #OTalk

Dr Kim Stuart @KimStuartOT

3 days ago

@BillWongOT @JacquiG47 @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer Not the same here Bill different educational pathways #Otalk

Kathryn Jarvis @jarviskathryn1

3 days ago

@preston_jenny @caot2019 And it's more fun too #otalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@JacquiG47 @Jeni_woods_OT @KimStuartOT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer Yes- I think mentorship will be crucial. The more prestigious the award, the more I think you need mentorship. #otalk

Dr Jenny Preston MBE @preston_jenny

3 days ago

@OTalk_ I have experience of linking with local academic partners to gain grant funding. I've also supervised MSc dissertations, that's a great way to take clinical questions into the academic environment and the bonus is you get the work done. Also think about honorary contracts #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@KimStuartOT @JacquiG47 @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer for sure- I have learned the differences while traveling across the globe for OT conferences. #otalk :)

Holly Graham @HollyGtheOT

3 days ago

@caot2019 @theRCOT P.S by employee I actually mean employer #OTalk

Jacqui G @JacquiG47

3 days ago

@KimStuartOT @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer #otalk I have looked - would you do a general Masters in research? or a profession specific?

Eleanor Cecil @El_Cecil_

3 days ago

RT @preston_jenny: @OTalk_ I have experience of linking with local academic partners to gain grant funding. I've also supervised MSc disse...

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@georgiaannv @caot2019 I think this is a good strategy! #otalk

Dr Kim Stuart @KimStuartOT

3 days ago

@JacquiG47 @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer It can be a challenge to make a start, all funders will want to make the monies are well spent. #otalk

#Hellomynameis Sarah @SLawsonOT

3 days ago

@caot2019 I'm an OT carrying out doctoral research into OTs engagement in and application of CPD #otalk I'll be dipping in and out tonight from a waiting room!

Dr Jenny Preston MBE @preston_jenny

3 days ago

@JacquiG47 @Jeni_woods_OT @KimStuartOT @laur_boland24 @OTalk_ @caot2019 @macmillancancer DM me afterwards, I'm sure we can figure out a way to get you some initial support and guidance #OTalk

3 days ago

Some great ideas about how ideas can become research. Shall we move onto Q3 now @caot2019? #OTalk

Georgia Vine @georgiaannv

3 days ago

So glad I set an alarm on my phone for the #OTalk this week it's very interesting!

#OTalk @OTalk_

3 days ago

Happens to us all @Incredhead 😊 #OTalk

Sh&RLYN JMGB @sherlynmelody

3 days ago

@georgiaannv #otalk I have an alarm set for every week. Don't always make it but need the reminder

Jacqui G @JacquiG47

3 days ago

Thanks all, some good ideas - and encouragement to keep trying #otalk

Helen Brown @HelenBrown09

3 days ago

@hooper_ek @JacquiG47 I agree My MA defo improves my research skills beyond Jose I learned on the MSc #OTalk

Kathryn Jarvis @jarviskathryn1

3 days ago

@caot2019 Also having PPI involvement from the start...in the idea and design stage and then throughout process #OTalk

CAOT2019 @caot2019

3 days ago

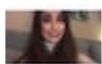

3. Do you do your research in your own time or do you get work time? #OTalk

OT_Expert @OT_Expert

3 days ago

RT @caot2019: 3. Do you do your research in your own time or do you get work time? #OTalk

Georgia Vine @georgiaannv

3 days ago

@sherlynmelody I definitely plan on keeping my alarm! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@caot2019 definitely my own time. I read and contribute to the #actuallyautistic hashtag lately. #otalk

Suzanne Simpson @SimpsonResearch

3 days ago

@OTalk_ Late to the party! I completed an MRes & now I'm hooked, internships are a great way to gain experience I've just completed one with @clahrc_nwc which has then led to me applying for an NIHR bridging scheme with the aim to apply for a doctoral fellowship #OTalk #Exciting

Dr Lisa Dibsall @lisadibs2

3 days ago

@JacquiG47 @KimStuartOT @Jeni_woods_OT @preston_jenny @laur_boland24 @OTalk_ @caot2019 @macmillancancer I did a profession specific Masters. During my PhD I did a Masters module that was enough to get me up to speed with methods etc #OTalk

#Hellomynameis Sarah @SLawsonOT

3 days ago

@smileyfacehalo @caot2019 Real passion, enthusiasm and interest in your area of research is needed #otalk

Kathryn Jarvis @jarviskathryn1

3 days ago

@caot2019 Often own time #OTalk

Dr Kim Stuart @KimStuartOT

3 days ago

@caot2019 For Doctorate it was a mixture but applied for @ElizabethCasso1 support and it was invaluable in buying me time out of the day job. Plus the amazing colleagues who supported me along the way #otalk

#OTalk @OTalk_

3 days ago

Q3 from @caot2019 below ... the million dollar question - time! #OTalk

Claire Murphy @Incredhead

3 days ago

@preston_jenny @caot2019 Not again #otalk 🙄

Helen Brown @HelenBrown09

3 days ago

@caot2019 #OTalk when I did my MSc I dropped my work hours from full time to 30 hours and work agreed I could attend taught sessions in work time with writing in my own - a far compromise I felt

Dr Jenny Preston MBE @preston_jenny

3 days ago

I'm extremely fortunate to have a clinical academic role as my substantive post. Enhanced with an honorary contract @Stirling_Health @NMAHPRu @easduncan so my research is done within work ... or at least some of it is #OTalk

Jacqui G @JacquiG47

3 days ago

@caot2019 #otalk once you start reading a subject your interested in it's like an addiction and spend many hours of my own time - I guess you have to love it to be committed to a long period of research?

#OTalk @OTalk_

3 days ago

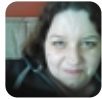

#OTalk

Claire Murphy @Incredhead

3 days ago

@caot2019 #otalk I've negotiated a hand day for research each month with my manager but I need to get back in the habit of prioritising this time since I've moved teams

Dr Lisa Dibsall @lisadibs2

3 days ago

@caot2019 @OT_Expert My PhD was done in my own time whilst working part time, but I think there are more funding opportunities available now, especially for people in social care #OTalk

Helen Brown @HelenBrown09

3 days ago

@JacquiG47 @caot2019 Definitely 😊 #OTalk

Vicki @V_the_OT

3 days ago

@OTalk_ @caot2019 Usually in my own time! #OTalk

Dr Jenny Preston MBE @preston_jenny

3 days ago

RT @KimStuartOT: @caot2019 For Doctorate it was a mixture but applied for @ElizabethCasso1 support and it was invaluable in buying me time...

Kathryn Jarvis @jarviskathryn1

3 days ago

@KimStuartOT @caot2019 @ElizabethCasso1 I completed my whole doctorate on small pots of money. I will always be indebted to Constance Owens Fund. The money made my PhD possible! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@JacquiG47 @caot2019 Yes- I had that feeling in terms of lived experiences of autistic individuals. Many of my OT conference abstracts came from reading such. #otalk

Suzanne Simpson @SimpsonResearch

3 days ago

@caot2019 I had to do most of my research in my own time initially especially when doing my MRes, but I've managed to access funds from @ElizabethCasso1 the internship I did came with money and I've also had RCF funding so I've been able to devote 1/2 or a day a week to research #OTalk

#OTalk @OTalk_

3 days ago

Your diary is always your friend on this one @Incredhead ... schedule it in and it's more likely to happen. #OTalk

Dr Jenny Preston MBE @preston_jenny

3 days ago

@JacquiG47 @caot2019 It definitely helps #OTalk

Georgia Vine @georgiaannv

3 days ago

@caot2019 I do it in my own time due to being a student but I've been in contact with university and we are planning to look into it more next year. #OTalk

#Hellomynameis Sarah @SLawsonOT

3 days ago

@caot2019 My own time, doing Bank work, some lecturing and volunteering. Mostly studying #otalk

Jacqui G @JacquiG47

3 days ago

@HelenBrown09 @caot2019 I've also dropped hours, so thought now would be a good time in my career to take things to the next level and do research as well as clinical work. #otalk

Claire Murphy @Incredhead

3 days ago

@caot2019 #otalk PhD mainly in my own time while working full time. My PhD research was based on a project within my clinical role so fortunately the data collection was completely within work time. Analysis and write up is a different story.

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@OTalk_ @Incredhead For me- my reminders are always the OT conferences' call for paper due dates! #otalk

#OTalk @OTalk_

3 days ago

Wowsers we've only got 10 minutes left on this chat @caot2019 maybe post Q5 to finish? #OTalk

Claire Murphy @Incredhead

3 days ago

@caot2019 #otalk other research projects are in work time with ot and met but unfortunately the progress is much slower on those and they tend not to be prioritised in a clinical role

Dr Jenny Preston MBE @preston_jenny

3 days ago

@jarviskathryn1 @KimStuartOT @caot2019 @ElizabethCasso1 I was one of the very lucky ones who was salaried throughout my PhD thanks to @mssocietyscot I worked part time and gave a day of my own time which was a very small sacrifice to make #OTalk

#Hellomynameis Sarah @SLawsonOT

3 days ago

@JacquiG47 @caot2019 Yes, and once you start reading it opens all sorts of possibilities and ideas for further research - #otalk

CAOT2019 @caot2019

3 days ago

Loving the input - this is great. Onto Q4... Have you thought about how you could translate this work into something badged as research? #OTalk

Claire Murphy @Incredhead

3 days ago

@caot2019 #otalk *half day 🙄

#OTalk @OTalk_

3 days ago

#OTalk

Kayleigh Gibbins @MissK_rebecca

3 days ago

@JacquiG47 @caot2019 I agree! Definitely has to be something your passionate about...trouble is narrowing it down! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@caot2019 I always knew what I do could have potential. For me, my issue is lack of interested partners so far. However, I am hoping this will change soon as my OT journey is heading towards my second decade (I count my time as an OT student, too.) #otalk

#OTalk @OTalk_

3 days ago

Here's the last question that we've got time for from @caot2019 this evening #OTalk

Suzanne Simpson @SimpsonResearch

3 days ago

@Incredhead @caot2019 That's how mine worked with my MRes the whole acute OT team were involved in data collection as did the teams who carried out the screening using the tool I'd designed, couldn't have done it without them #OTalk

Vicki @V_the_OT

3 days ago

@MissK_rebecca @caot2019 @OTalk_ That sounds amazing 😊 #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

@MissK_rebecca @JacquiG47 @caot2019 Autism will always be that way for me. I can't say no to potential opportunities that excites me. #otalk

Jacqui G @JacquiG47

3 days ago

@caot2019 This is where I have had trouble I am meeting with ResearchNorthwest - so hopefully they will help me formulate a plan of action! #otalk

Bill Wong, OTD, OTR/L @BillWongOT

3 days ago

See ya all next week! #otalk

Suzanne Simpson @SimpsonResearch

3 days ago

@JacquiG47 @caot2019 If you work for the NHS have you spoken to your R&D department? CAHPR are also a good source of support? #OTalk

Emma Hooper @hooper_ek

3 days ago

Who / what is ResearchNorthwest @JacquiG47? I'm based in the NW too so it would be good to find out! #OTalk

Georgia Vine @georgiaannv

3 days ago

@BillWongOT @caot2019 Incredible! I'm currently at Sheffield Hallam University so @caot2019 will probably be involved themselves! #OTalk

CAOT2019 @caot2019

3 days ago

#OTalk Thanks so much for all tonight's input! For those of you who've carried out research since 2014, it would be great if you could fill out this survey to share your activities / experiences: <https://t.co/Yybs0hzBV6> #OTalk

Claire Murphy @Incredhead

3 days ago

@SimpsonResearch @caot2019 #otalk it's so helpful isn't it when the bulk of the data is collected within clinical work. I found it helped my motivation to continue with the research as well when I had research questions and a topic directly linked to my work

Jacqui G @JacquiG47

3 days ago

that hour went really quickly! #otalk

Dr Jenny Preston MBE @preston_jenny
