Hello gang! #otalk

**Dr Lynne Goodacre** @LynneGoodacre

a day ago

While we're waiting for people to join us we're wanting to start with a celebration. So start piling in..... Q1 is what are you celebrating about your engagement with research in 2019. Don't be shy #OTalk

**Bill Wong, OTD, OTR/L** @BillWongOT

a day ago

I do say today is an interesting time because there are folks who find out their COTEC-ENOTHE abstract submission results today. #otalk

**Dr Lynne Goodacre** @LynneGoodacre

a day ago

Oh now that's a great thing for people to celebrate. Thanks for flagging that up @BillWongOT #OTalk

**#OTalk** @OTalk\_

@SusanGriffiths5 @LynneGoodacre Find someone who is doing research you are interested in and see how you can help. Do some data collection, assist with an assessment, do what you can. You get a taste and then start developing your own ideas for your own research! #OTalk
