RT @easduncan: Managing your research during a pandemic: Q1 - What has changed in your research activities as a result of COVID-19? #OTalk

#OTalk @OTalk_

4 months ago

Question 1: What has changed in your research activities as a result of COVID-19? #Otalk

Beverley Goodman @OTBev

4 months ago

I'm a PhD student @Uni_of_Essex undertaking a participatory action project exploring inclusive and accessible ways of evaluating participation in physical activity. I was just about to start recruiting my steering group of co-researchers... #OTalk

Dr Catriona Connell @DrCCConnell

4 months ago

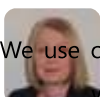

@easduncan Shift to accelerated grant writing efforts via zoom call - and a shift in focus to covid related activity #otalk

Naomi Algeo @naomialgeo

4 months ago

Was due to complete a face-to-face Nominal Group Technique (NGT) workshop over the summer to get consensus on a vocational intervention we're developing. Looking at potential online options to do this now. Has been done before, but virtual NGTs still quite novel. #OTalk

Dr Jenny Preston MBE @preston_jenny

4 months ago

@easduncan The biggest change is that all research activity has had to stop #OTalk

@easduncan
