@SLawsonOT @Jeni\_woods\_OT @OT\_Jim @RCOTMajorHealth I did that in my early days. Had a committee position on a BAOT Regional group. Opened doors to all sorts of things. One was opening of the @theRCOT HQ on Borough High Street when it relocated. Canapés with the Princess Royal 🍷 #OTalk #Memories

[@Jeni\\_woods\\_OT](#) Got some great advice about doing things outside my comfort zone and not waiting for someone to ask me but get on and do them myself. Led to OTNews article, presenting at conference, starting [@OTPodcastClub](#) podcast and most excitingly meeting [@BillWongOT](#) 🤗 [#OTalk](#)

One thing springs to mind during this [#OTalk](#) & I have a vested interested as part of funded research project looking into it in more depth but people talk about wanting to do research in the future... do you consider you're doing any research day to day within your practice?

[#OTalk](#) [@OTalk](#)

@Jeni\_woods\_OT [#OTalk](#) I think being genuinely intrigued, fascinated, and excited about the specific research module/focus area is crucial in a proposal. Otherwise I think the initial preparation can be extremely difficult and something that's seen as a chore??

@Jeni\_woods\_OT Never under estimate the value of spending time on the proposal, the greater the detail and thought given In the planning stage pays dividends in the long run. Expect multiple drafts, it's normal & helpful. Draw upon critical friends + become your own critical friend [#OTalk](#)

**Dr Jenny Preston MBE @preston\_jenny**
