[@ot_ninabedding](#) [#OTalk](#) Try and do a pre-placement visit. Great opportunity to talk to your educator, see where you'll be working & maybe meet a few of the team. Can reduce anxiety & first day nerves. 2 months ago

[@ot_ninabedding](#) Relax 😊 Nobody's expecting you to know everything. But, you will be expected to show willing & that you have done a little research about the placement setting. Placements are learning opportunities & should be used as such [#OTalk](#)

@ot_ninabedding Be flexible, open minded and ready to use your initiative. You're not expected to know everything; but to be willing to learn. Think of a placement like a puzzle, it takes time for all the pieces to fit together and make sense 🍀 #OTalk
