 **@Bethany_OT** 11 days ago
 Welcome to the #OTalk an area or topic lacking in research, or something that could be furthered and advanced with research 🤔

 **Beverley Turtle, PhD @bevaturtle** 11 days ago
 @margaretOT360 How would you define not having an evidence base? Any particular aspect? #OTalk

 **#OTalk @OTalk** 11 days ago
 @Im_Idot Welcome Lorian :) #OTalk

 **Jay Webster (They/Them) 🏳️‍🌈 @jwot77** 11 days ago
 @bevaturtle A problem that hasn't been addressed/answered yet. #OTalk

 **Chantelle Peacock @ChantelleP_OT** 11 days ago
 @bevaturtle a students prespective an area where there is insufficient or missing info that prevents reviewers from concluding on a certain question or when a new idea hasn't been examined or when all the current study is out of date and would benefit from being updated. #otalk

 **Bill Wong, OTD, OTR/L @BillWongOT** 11 days ago
 RT @ChantelleP_OT: @bevaturtle a students prespective an area where there is insufficient or missing info that prevents reviewers from concluding on a certain question or when a new idea hasn't been examined or when all the current study is out of date and would benefit from being updated. #otalk

 **Bill Wong, OTD, OTR/L @BillWongOT** 11 days ago
 RT @Bethany_OT_: @bevaturtle #OTalk an area or topic lacking in research, or something that could be furthered and advanced with research 🤔

 **Beverley Turtle, PhD @bevaturtle** 11 days ago
 @BillWongOT Very true, in my mind it can represent something very varied, looking at the nitty gritty. What is underrepresented with a particular population, what aspect of a study? #OTalk

 **Margaret Spencer MA @margaretOT360** 11 days ago
 @bevaturtle Published research #otalk

SYN

Spencer MA @margaretOT360

11 days ago

@bevaturtle Great answer #otalk

Hannah Sercombe @hannah_sercombe

11 days ago

@OTalk_ Areas of theory, practice or discovery where there's a lack of / limited evidence base #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@bevaturtle A population I am doing research with @CarolineMillsOT and @KristyCoxon is autistic older people, or what some folks called autistic elderly. #otalk

Beverley Turtle, PhD @bevaturtle

11 days ago

To be honest, I get overwhelmed thinking about "the gap", so great hearing how people contextualise it and even approach it #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

RT @hannah_sercombe: @OTalk_ Areas of theory, practice or discovery where there's a lack of / limited evidence base #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@bevaturtle And I know I am adding another dimension to autism research, since anything I am a part of will automatically make that research a participatory action research. #otalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

RT @bevaturtle: To be honest, I get overwhelmed thinking about "the gap", so great hearing how people contextualise it and even approach it #OTalk

Jay Webster (They/Them) @jwot77

11 days ago

@bevaturtle Me too! Brings me out in a cold sweat. 😓 #OTalk

Margaret Spencer MA @margaretOT360

11 days ago

@bevaturtle I think you can apply your OT theory to all areas of practice so that helps initially #otalk

Melissa chioza @melissa_chioza

11 days ago

@bevaturtle A gap in the research. Something that has not been explored further. Eg improving services for people who are diagnosed with early onset dementia patients. #otalk

Bevaturtle @bevaturtle

11 days ago

Great hearing everyone's thoughts on what a gap might be, but how do we broach narrowing that down. Q2: What methods have you used to identify a research gap? #OTalk

You can change your preferences at any time.

We use cookies (and other similar technologies) to collect data to improve your experience on our site. By using our website, you're agreeing to the collection of data as described in our Website Data Collection Policy.

OTalk
Great to have you Jem, dont forget the # **#OTalk**

11 days ago

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@bevaturtle For me is a match that happened over time. I never predicted that I would work in productive aging. Then as I got more into the setting- a question that came up to me was- "Will I like the kind of care I see when I become 65+ if I live in nursing homes?" #otalk

Chantelle Peacock @ChantelleP_OT

11 days ago

RT @melissa_chieza: @bevaturtle A gap in the research . Something that has not been explored further . E.g improving services for people who are diagnosed with early onset dementia patients. #otalk

#OTalk @OTalk
Question 2 #OTalk

11 days ago

Beverley Turtle, PhD @bevaturtle

11 days ago

@JemChanOT Is there a particular area you are thinking of that is under-resourced (admittedly there are many)? #OTalk

#OTalk @OTalk
@JemChanOT @bevaturtle #OTalk

11 days ago

Lorian Mead @lm_idot

11 days ago

RT @Bethany_OT : @bevaturtle #OTalk an area or topic lacking in research, or something that could be furthered and advanced with research 🤔

Chantelle Peacock @ChantelleP_OT

11 days ago

@hannah_sercombe @OTalk love this answer #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@bevaturtle I think I just made a comment on it- I wonder if the nursing home environment is autistic older individuals friendly? If not, what can I do to help change that while I am still able to make a difference? #otalk

Melissa chieza @melissa_chieza

11 days ago

@bevaturtle I am actually exploring something around diabetes and OT at present with my university supervisor . #otalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@melissa_chieza @bevaturtle I am actually exploring something around diabetes and OT at present with my university supervisor . E.g improving services for people who are diagnosed with early onset dementia patients #otalk

[@Bethany_OT](#)

11 days ago

When I started [#OTalk](#) in my case, existing work experience. I left work to start this degree w/ the intention of completing my upcoming research topic! My 1st dissertation, years ago, was based purely on my own areas of interest - the representation of young women in slasher films! 📝👩

Lorian Mead 🌈💙 [@lm_ldot](#)

11 days ago

RT [@ChantelleP_OT](#): [@bevaturtle](#) a students prespective an area where there is insufficient or missing info that prevents reviewers from concluding on a certain question or when a new idea hasn't been examined or when all the current study is out of date and would benefit from being updated. [#otalk](#)

Bill Wong, OTD, OTR/L [@BillWongOT](#)

11 days ago

RT [@bevaturtle](#): [@margaretOT360](#) How would you define not having an evidence base? Any particular aspect? [#OTalk](#)

Beverley Turtle, PhD [@bevaturtle](#)

11 days ago

[@melissa_chieza](#) How are you approaching the gap in your work? [#OTalk](#)

Jay Webster (They/Them) 🏳️‍🌈🇬🇧 [@jwot77](#)

11 days ago

[@bevaturtle](#) Reading, A LOT! Looking at the "recommendations for future research section" and reading some more. 📖 [#OTalk](#)

#OTalk [@OTalk](#)

11 days ago

[@ChantelleP_OT](#) [@hannah_sercombe](#) Just as I was about to put you on the naughty step for forgetting the # you corrected it Chantelle 🙄🙄 [#OTalk](#)

Margaret Spencer MA [@margaretOT360](#)

11 days ago

I am thinking there are no areas that is properly resourced [#otalk](#)

Jem 🐘 [@JemChanOT](#)

11 days ago

[@bevaturtle](#) Not methods as such but been amazed when I've had an idea for something and found there's no/minimal research in the area [#OTalk](#) Examples include OT for endometriosis/adenomyosis, OTs in museums/heritage (though this is growing)

Bill Wong, OTD, OTR/L [@BillWongOT](#)

11 days ago

[@melissa_chieza](#) [@bevaturtle](#) There is someone at [@USCChanOSOT](#) you should connect. Her name is Beth Pyatak. <https://t.co/Hq9RBlagyt> [#otalk](#)

Bethany [@Bethany_OT](#)

11 days ago

[@bevaturtle](#) [#OTalk](#) once I had an idea for my research topic, I did a lot of reading around it prior to starting uni in order to gauge whether or not there was scope to complete it the way I felt would be most beneficial. Used Google scholar, journals that were freely accessible etc.

We use cookies (and other similar technologies) to collect data to improve your experience on our site. By using our website, you're agreeing to the collection of data as described in our [Website Data Collection Policy](#).

Beverley Turtle, PhD [@bevaturtle](#) 11 days ago
[@Bethany_OT](#) I want to read this. Amazing, women in slasher films!? Are you marrying this with your current work per chance? [#OTalk](#)

Chantelle Peacock [@ChantelleP_OT](#) 11 days ago
[@OTalk](#) [@hannah_sercombe](#) realised this so early hahahah! [#OTalk](#)

[You can change your preferences at any time.](#)

OTD, OTR/L @BillWongOT 11 days ago
@bevaturtle Another one for me will be bouncing ideas off of people in the know or not topics in research in areas I am interested in. #otalk

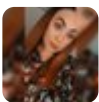

Beverley Turtle, PhD @bevaturtle 11 days ago
@jwot77 Definitely, lots of reading. The gap does not suddenly materialise #OTalk

Samantha Tavender @SamOTantha 11 days ago
@JemChanOT @bevaturtle I've have also found this gap in endo and OT and it will be my PhD Topic so I guess watch this space #OTalk

Beverley Turtle, PhD @bevaturtle 11 days ago
@BillWongOT How do you gauge if what you are seeking to do is novel? #OTalk

Chantelle Peacock @ChantelleP_OT 11 days ago
@bevaturtle Uni has taught me to critically analyse the situation in question, and use the likes of the fishbone framework to really pinpoint that research gap! But in general interest just a simple thought can open up so much opportunities to highlight a gap in todays society #OTalk

Beverley Turtle, PhD @bevaturtle 11 days ago
RT @jwot77: @bevaturtle Reading, A LOT! Looking at the "recommendations for future research section" and reading some more. #OTalk

Lynsey McKee @LynseyCMcKee 11 days ago
@bevaturtle Agree with Jay! Lots of reading... just about to commence a systematic review. Plan to then look in depth at methodology and participants to further identify gaps. #OTalk

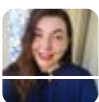

Jay Webster (They/Them) @jwot77 11 days ago
@bevaturtle If only....#OTalk

Margaret Spencer MA @margaretOT360 11 days ago
@bevaturtle @melissa_chieza Developing the OT process into a pathway and things fall into place #otalk

Bill Wong, OTD, OTR/L @BillWongOT 11 days ago
@bevaturtle I just answered in a comment- asking those in the know of autism research to see if my idea is worth exploring further and/or indeed a research gap. #otalk

Bethany @Bethany_OT 11 days ago
@bevaturtle #OTalk send me your email address and I'll forward it over! My academic writing skills certainly weren't up to scratch then, mind 😊 My current work is focusing on female victims of domestic abuse - it's not worlds apart, still a lot of feminist theory and gender based

We use cookies (and other similar technologies) to collect data

[Website Data Collection Policy.](#)

[You can change your preferences at any time.](#)

Turtle, PhD @bevaturtle

11 days ago

@SamOTantha @JemChanOT There's a lot missing for endo in general and is much needed. Looking forward to hearing more about your work Sam as it progresses #OTalk

Melissa chieza @melissa_chieza

11 days ago

@bevaturtle I did a literature review in 2020. We are trying to improve the standard so it can be accepted by a journal. To create more awareness in this subject area #otalk .

Beverley Turtle, PhD @bevaturtle

11 days ago

@Im_Idot @otalk and lots of open tabs.... #OTalk

Bethany @Bethany_OT

11 days ago

@JemChanOT @bevaturtle #OTalk Scream was, of course, one of the 4 films I analysed for that one. Absolute classic - how could I not include it!

Chantelle Peacock @ChantelleP_OT

11 days ago

@JemChanOT @bevaturtle as someone with Endo, this really does interest me from a future OT perspective! #OTalk

Beverley Turtle, PhD @bevaturtle

11 days ago

RT @JemChanOT: @bevaturtle Not methods as such but been amazed when I've had an idea for something and found there's no/minimal research in the area #OTalk Examples include OT for endometriosis/adenomyosis, OTs in museums/heritage (though this is growing)

Jay Webster (They/Them) @jwot77

11 days ago

@LynseyCMcKee @bevaturtle Oooh that's an exciting stage to be at - good luck with it. #OTalk

Margaret Spencer MA @margaretOT360

11 days ago

@JemChanOT @bevaturtle The challenge is that OT's could work in so many areas it's impossible to have research underpinning every area. #otalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

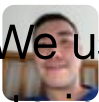

@Bethany_OT @bevaturtle a good idea you can explore also- perhaps establish a community of practice... and one of the components can be a writing group. This writing group can be like office hour for people who need help/collaborators for their manuscripts before submission. #otalk

Jem @JemChanOT

11 days ago

@SamOTantha @bevaturtle I have endometriosis and its incredible how little input there is (in general) but specifically from OTs. I think it would be transformative for some patients. I just OT myself 🙌 #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@margaretOT360 @JemChanOT @bevaturtle and then on top of that... how can we get the public to know every area we can possibly work in? #otalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

RT @melissa_chieza: @bevaturtle I did a literature review in 2020. We are trying to improve the standard so it can be accepted by a journal. To create more awareness in this subject area #otalk .

Jay Webster (They/Them) @jwot77 11 days ago
@bevaturtle @Im_dot @otalk For sure! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT 11 days ago
@JemChanOT @margaretOT360 @bevaturtle One of the ways is- aside from post doc opportunities, compensation for such opportunities also got to be reasonable. #otalk

, OTD, OTR/L @BillWongOT

11 days ago

@JemChanOT @margaretOT360 @bevaturtle Another one is- maybe a placement setting option is for students to get engaged in more hardcore research. #otalk

Margaret Spencer MA @margaretOT360

11 days ago

@JemChanOT @bevaturtle An actual piece of patient/client research used to be part of the undergrad programme but ethics became too difficult #otalk

Beverley Turtle, PhD @bevaturtle

11 days ago

Getting swept away by everyone's comments. Q3. What are the gaps you have found in your department, and has this led to research? #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@JemChanOT @margaretOT360 @bevaturtle and lastly- perhaps develop some sort of mentorship program to groom future OT research scientists. #otalk

Margaret Spencer MA @margaretOT360

11 days ago

Crazy when you look at the demographic of the profession #otalk

#OTalk @OTalk

11 days ago

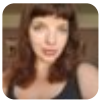

Part of our current manifesto for team research #OTalk @bevaturtle @preston_jenny @NikkiDanielsOT @SamOTantha

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@bevaturtle For me, fortunately the thesis advisor has all the say in research topics at my uni. So, I can set the agenda for OT student research. #otalk

Jem 🐘 @JemChanOT

11 days ago

@Bethany_OT @SamOTantha @bevaturtle Absolutely. Would highly recommend the book 'unwell women' for an overview of how female health has been conceptualised and research. Its an infuriating and informative read #OTalk

Margaret Spencer MA @margaretOT360

11 days ago

@bevaturtle Most people try and do an audit as they don't have time for research #otalk

#OTalk @OTalk

11 days ago

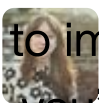

@melissa_chieza @bevaturtle This is sounds very much needed and certainly a gap here #OTalk

Beverley Turtle, PhD @bevaturtle

11 days ago

@AlisonA13414330 Such an important point, breaking down ideas to help build knowledge. Also research does not occur individually but is influenced by what's been done before and is generally a team effort #OTalk

Beverley Turtle, PhD @bevaturtle

11 days ago

@melissa_chieza @bevaturtle This was on the back in a family discussion. As there is not much provision for people in their 50s with early onset dementia. #otalk

SYN

Peacock @ChantelleP_OT

11 days ago

There are SO MANY GAPS. in general, as @Bethany_OT stated earlier, domestic violence is a huge gap today! I focused my dissertation proposal on adolescents with Tourettes syndrome and the research was minimum, definitely a gap with our younger people #OTalk

#OTalk @OTalk

11 days ago

Question 3 #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

11 days ago

@margaretOT360 @JemChanOT @bevaturtle try a current research I am doing with @truly_radical and @CarolineMillsOT and I am the principle investigator for the US leg of the student research I am engaged in. Without them, I highly doubt the research will pass ethics! #otalk

Beverley Turtle, PhD @bevaturtle

11 days ago

@margaretOT360 Time to go back to our audit/research #OTalk. But its a good way of identifying gaps in practice, and maybe lead to research #OTalk

Bethany @Bethany_OT

11 days ago

@JemChanOT @SamOTantha @bevaturtle #OTalk I will add this to my list!! Have you read Invisible Women by @CCriadoPerez? If not, totally recommend - as well as Sexy But Psycho by @DrJessTaylor. Both very interesting (and of course infuriating) reads!

Chantelle Peacock @ChantelleP_OT

11 days ago

@JemChanOT @Bethany_OT @SamOTantha @bevaturtle Will definitely have to have a look into this! #OTalk

Jay Webster (They/Them) @jwot77

11 days ago

@bevaturtle Have you any methods you've found helpful yourself? #OTalk

Margaret Spencer MA @margaretOT360

11 days ago

RT @bevaturtle: @margaretOT360 Time to go back to our audit/research #OTalk. But its a good way of identifying gaps in practice, and maybe lead to research #OTalk

Melissa chieza @melissa_chieza

11 days ago

@bevaturtle Diabetes / OT - focuses on complications only . However as OT we look at so much more in terms of occupations. Early Onset Dementia - over 50s seem to be placed in the same environment with patients who are in last stages of dementia . #otalk

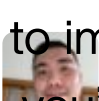

Beverley Turtle, PhD @bevaturtle

11 days ago

@jwot77 I'm quite a chaotic person and am still looking for a good method, will need to review this chat for myself. But it essentially comes down to reading, bouncing ideas off colleagues, supervisors, pals. Then having time to process away from the computer #OTalk
